MEMORANDUM FOR THE RECORD

25X1

SUBJECT: Concurrence in Amendment No. 2 to Contract No. TR-800 with  
The Perkin-Elmer Corporation, Norwalk, Connecticut,  
Project CHALICE

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5.

2. Contract No. TR-800 with the subject contractor provides for the furnishing of technical services necessary for the evaluation, maintenance and field repair of equipment produced by the contractor and in operation at Bases B and C. Amendment No. 2 to the contract has been drawn to extend the period of performance through 30 June 1960 and to provide additional Project CHALICE funds for the first half of FY 1960.

3. Fiscal Year 1960 CHALICE funds, when available, in the amount of \$57,117.50 should be obligated to cover the contract for the period 1 July 1959 - 31 December 1959. By concurrence to this memorandum the Comptroller signifies that the obligation from CHALICE funds has been noted and will be recorded when funds for FY 1960 become available.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all 8(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, (formerly 10(b) - see 85-507 dtd 7/7/58) for each contract.

5. Concurrence in Amendment No. 2 to Contract No. TR-800 is recommended.
